Frances:

Thanks for circulating the revised draft. I am gathering the last of DEP's edits and should have those for you and Jim by the time we meet. I am available Wednesday afternoon and all day Thursday of next week – please let me know if either of those days work.

Thanks,
Carley

Carley and Jim,

EPA has reviewed the DEP's and the Town's comments. Attached is a revised final draft MOA that has been reviewed by EPA management. I propose that we schedule a call to go over paragraph 2 which appears to be the only remaining substantive comment and, upon resolution, prepare to finalize. Please let me know whether you have availability next week for a call. If not, we can schedule it after Labor Day.

Thanks,
Frances

Attached for review is the MOA with changes on behalf of the Town. A redlined version is attached for ease of reference. Note that this is being simultaneously distributed to Town representatives, so it remains subject to their review.

We look forward to working with the group to finalize the MOA.

Jim

Good afternoon all –

For those who are not yet aware, I have taken over the Syncon Resins matter from Lou Karagias, who has retired from NJDOL. Attached please find DEP's edits and comments to the draft MOA. Please let me know if there is any trouble accessing the attachment. I look forward to working with you all.

Thanks,
Carley
